

Give a Gift

for children with cancer

How does it work?

1 Buy a gift
You'll find our recommended gift list at www.podarujprezent.naratunek.org.

2 Bring your gift directly to the Przystań Motyli clinic
Dr Antoni Jurasz University Hospital No. 1, ul. Marii Skłodowskiej-Curie 9, 85-094 Bydgoszcz, from Tuesday 17 November to Monday 21 December, 10:00 a.m.–3:00 p.m.

3 We will then pass your gift on to the children in our care
Thanks to you, this Christmas they will know that someone is thinking of them, and a smile will light up their faces.
